MISSION

The Mission of Newgrange is to improve educational outcomes for people with learning differences and to empower them to become accomplished, dynamic members of society. We will achieve this through evidence-based instruction for our students and expert professional development for educators.

HISTORY

Newgrange is a nonprofit educational institution with over 40+ years' experience providing learning opportunities to students with related learning differences. Newgrange is an internationally known and respected educational institution for people with learning differences. Newgrange delivers state-of-the-art services in a cost-effective, financially prudent manner.

The Newgrange School was founded in 1977 and is a State of New Jersey Approved Private School for Students with Disabilities, serving students ages 6 through 21. The Newgrange School Campus is located at 800 North Road Hopewell, NJ 08534, in Mercer County New Jersey.

HISTORY OF THE NEWGRANGE NAME

Newgrange takes its name from an ancient site in Ireland. Approaching it, the visitor sees only the rolling hills common to that area. Under the hills of Newgrange, however, lies a prehistoric site of remarkable artistic and historic significance. Just as there is little indication of the hidden treasure within the Irish Newgrange, people with learning differences often give no outward indication of their extraordinary intelligence and talents. Newgrange helps bring these treasures to light!

Newgrange Declaration of Students' Rights

You have the right to be seen, heard, respected, and valued as a member of our school and society.

You have the right to be seen for who you are as an individual, not as a label, not as a diagnosis, and not viewed as less than someone else.

You have the right to be treated with respect and dignity, regardless of the color of your skin, the neighborhood you live in, the languages you speak or the way you learn.

You have the right to be protected from harm, injustice, hatred, and violations of your rights.

You have the right to an education that prepares you for your future careers and the goals that you have set for yourself.

You have the right to your opinions and feelings, even if others do not agree with them.

You have the right to be you, because you are great, because you have tackled all of the obstacles in your way, because for each difference you have, there is a strength you possess that others can only wish they had.

Early Dismissal End Time: 1:30PM

STUDENT ATTENDANCE POLICY

In order for students to achieve their maximum potential for learning, it is imperative that they attend school on a consistent basis. Each student is required to satisfy the Newgrange School attendance policy unless attendance requirements have been revised in the student's IEP.

Students are expected to arrive on time to school and for all classes. Tardiness due to a late bus will be considered excused. Unexcused tardiness to school or to class will be dealt with according to the Newgrange School's Code of Conduct.

FULL-TIME STUDENTS: To be considered PRESENT a full-time student needs to be in attendance at least one (1) hour before lunch and one (1) hour after lunch. On Early Dismissal days, students need to be in attendance at least 2 hours (not including lunch).

PART-TIME STUDENTS: To be considered present part time students need to be in attendance at least 2 hours (not including lunch). On Early Dismissal days, part time students who attend Newgrange School for the afternoon session are exempt from this 2-hour minimum requirement.

The table below may help with your understanding of the attendance requirement. For a full-time student to be considered present:

	Full Day Schedule	Early Dismissal
A student must ARRIVE no later than	10:20AM	9:49AM
A student must not LEAVE earlier than	1:10PM	12:22PM

STUDENT ABSENCES

Parents/guardians are required to **CALL OR EMAIL** the Main Office by 9:00 AM to report their child absent at (609) 584-1800. Notifying your child's teacher is helpful but is not required. If a call is not received, a truancy alert will be sent out using the Honeywell Instant Alert System. If you wish to request schoolwork from your child's teacher, please contact the office as early in the day as possible so we have time to prepare and organize assignments/materials for you to pick up.

PROLONGED ABSENCES

When you know that your child will be **absent for 3 or more consecutive days**, you must contact us as well as your CST case manager as soon as possible. During the course of an extended absence, your district may be required to provide homebound instruction to your child. If a student is absent for 10 or more consecutive days, and we have not heard from a parent/guardian with an explanation, The Newgrange school will contact the Child Study Team Case Manager, who may contact the school district's truant officer and/or the NJ Division of Child Protection and Permanency (DCP&P).

EXCUSED/UNEXCUSED ABSENCES AND MAXIMUM ALLOWANCES

Attendance at school may be excused for certain absences as defined below. All absences for reasons other than excused, shall be unexcused. Repeated unexcused absences from school may subject a student to disciplinary actions and possible loss of class credit. When a student reaches 4 unexcused absences, the school will notify parents and/or Child Study Team Case Managers, may conduct an investigation, may develop an attendance action plan with the student's parents, and may cooperate with DCP&P and law enforcement and other authorities and agencies as appropriate if there is a potential for a missing or abused child situation. All absences, regardless of designation as excused or unexcused, are cumulative.

1. Excused Absenses:

- a. Illness/injury with a doctor's/hospital note.
 - i. Note must specifically state all absence dates related to injury/illness.
 - ii. All doctors' notes must be received within 5 days of absences.
- b. Students with chronic and documented illnesses.
 - i. A doctor's note must be submitted each school year.
 - ii. A parent/guardian must call when a student is absent due to the chronic illness.

- k. IN CERTAIN INSTANCES: Inclement Weather Closings where Newgrange is not closed. Please see the section entitled Inclement Weather Information

All students are expected to adhere to their home district’s attendance policy or to attendance requirements listed in the IEP.

Inclement Weather Information

On days of inclement weather, we always defer to the sending district/transportation. If the student’s district/transportation is on a delay, we do not expect the student to arrive on our schedule, but to follow their district’s/transportation’s schedule. This includes buses with students from different districts; if one district is delayed, we understand that the whole bus will be delayed. Any absences or tardies for district closures/inclement weather are marked as excused. We do not expect parents/guardians to drive a student to Newgrange if there is an in-district delay.

The reverse is true as well. If we have a delayed opening, usually the buses will transport on OUR schedule even if the district doesn’t have a delay. However, parents/guardians should always check with their bus driver/company when we call a delay to confirm that they too are aware.

On days of an in-district early dismissal, the school district/bus company will contact both Newgrange and parents/guardians for permission to pick up students early due to the weather. Upon confirmation that a parent has been reached, Newgrange will release your child early. Please note that we will NOT release a child on the driver’s request; a confirmed early dismissal from the school district is required. If Newgrange closes early, we will use the Honeywell Instant Alert system to notify parents/guardians, who should then contact their district/transportation company.

For your convenience, we have created the following informational chart for your use.

IMPORTANT NOTES

1. Trenton School District utilizes Mercer County Special Services for transportation needs. Parents/guardians should follow MCSS as their district/transportation source of emergency closing information.
2. Parents/guardians of Newgrange students on a split-time basis with another school (Votech, district high school, etc.) should also monitor their emergency closing information.
3. Some bus routes contain students from multiple districts; please confirm who the sending district is so that you may monitor their announcements.
4. PLEASE BE READY TO CONTACT YOUR DISTRICT/TRANSPORTATION COMPANY.
5. PLEASE UPDATE YOUR HONEYWELL INSTANT ALERT INFORMATION.

ATTENDANCE REQUIRED FOR FIELD TRIPS AND AFTER SCHOOL ACTIVITIES

In order for a student to participate in any field trips and after school activities and events, the student must be present in school for the entire day of the event.

TARDY TO SCHOOL

Students arriving late to school are to report to the Main Office to sign in. Frequent tardiness may affect the academic credit received for the classes your child misses. Newgrange School administration is required to notify CST case managers of cases of chronic tardiness.

WHEN A CHILD IS BROUGHT TO SCHOOL EARLY

Please do not bring your child to school before 8:00 AM. Teaching staff will not be available to supervise your child prior to 8:00 AM. If a one-time early drop-off is unavoidable, prior arrangements must be made. When the student arrives, he/she is required to remain in the office until the building is opened to students. We appreciate your cooperation with this matter.

PICKING UP YOUR CHILD

As all students attending The Newgrange School are bused from their local school districts, picking up your child requires a significant amount of coordination. In the morning you will be picking up your child, parents/guardians are required to call, email or send a note into school, which should be addressed to the Main Office. Parents/guardians are also required to notify their bus company/district transportation office of any changes in busing due to a pick-up. At dismissal the parent will wait in the bus line and your child will be called from inside the school and will report directly to the parents' car when it arrives near the school exit.

If you need to pick your child up early from school, the parent will need to report to the main office desk and sign your child out from school. Your child will be called to the Main Office upon your arrival at the school. In order to create as little disruption and loss of instruction, students will not be permitted to wait in the office to be picked up. Parents/guardians are asked not to go to any classrooms, since this disrupts the instruction of the remaining children.

IN THE EVENT OF AN EMERGENCY, please call the office at least one hour before dismissal to ensure that there is enough time for the office to notify your child's teachers, as well as the Newgrange busing coordinators, of the change.

STUDENT SECURITY DURING DISMISSAL/PICK-UP

For the protection of all children, we may require identification prior to the release of your child. Please have such identification ready when you arrive at the Main Office. This plan is not designed to inconvenience anyone, only to protect our children. If anyone other than a parent/guardian is to pick up your child, we need written permission from the parent/guardian. The person picking up your child will need to show proper identification.

LEAVING SCHOOL BUILDING AND/OR GROUNDS WITHOUT PERMISSION

Once students arrive at school, they are not permitted to leave the building and/or the grounds without administrative permission. For example, students are not permitted to leave school to buy their lunch from a nearby vendor or engage in any other activities. Students who fail to abide by this rule will be considered absent or truant and will be subject to further disciplinary action.

STUDENT INFORMATION

REGISTRATION AND EMERGENCY INFORMATION FORMS

Registration and emergency information forms asking for home and work telephone numbers are sent to each parent/guardian on the first day of school in September. This information is extremely important should we have to contact you due to either child illness or injury. Parents/Guardians should also include the name of a relative or friend who could be contacted in such an emergency, if we are unable to reach you. We realize that very often during the year such information may change. If that is the case, simply call the Main Office and the staff will take the information and change our database.

HONEYWELL INSTANT ALERT SYSTEM

The Newgrange School currently uses the Honeywell Instant Alert System to notify families of events such as school closings, emergencies, general reminders, and student absences. It is vitally important that you register with Honeywell at <https://instantalert.honeywell.com>, and keep all your contact information current. If you have any difficulty in registering or updating your information, please call the main office.

HEALTH HISTORY QUESTIONNAIRE

A Health History Questionnaire is given to each family at the start of the new school year (or upon a new student's enrollment in mid-year). It asks for critical health information such as allergies, medications, significant medical conditions, etc. This information is for our use and for use by medical emergency personnel in case there is a medical emergency during school or at a school function. Please make sure you complete this form in its entirety and return it to us at the start of the school year. Failure to return any required forms may result in your child being unable to attend school or field trips.

CHILD CUSTODY

Very often there are custody restrictions for certain family members. In order for The Newgrange School to meet such guidelines, we ask that you notify our Main Office and School Administrators of such restrictions. The office will then make copies of necessary court papers to include in the student file. If duplicate mailings are requested, please make certain that we have current addresses and phone numbers.

REPORTING ABUSE AND/OR NEGLECT

All school staff is required by law to report suspicion of child abuse and neglect. If you suspect abuse or neglect, please call the NJ Division of Child Protection and Permanency HOTLINE: 1-877-NJ ABUSE or 1-877-652-2873.

STUDENT HEALTH SERVICES

THE SCHOOL NURSE

The School nurse can be reached at extension 229. If you are unable to reach the nurse at this extension, please call the Main Office at 609-584-1800.

REQUIRED HEALTH DOCUMENTS

- It is the practice of Newgrange to require a physical examination of all new students as well as students in the third, sixth, ninth and eleventh grades.
- A report from your private physician regarding a recent (within the last six months) examination will be accepted.
- The completed immunization forms are to be returned to the school nurse prior to the first day of school. If additional immunizations are needed, proof of an appointment to receive immunizations is required.

NEW STUDENTS TO NEWGRANGE

- Immunization records as per the New Jersey State Department of Health
- Health records from previous school
- Documentation of current Mantoux test (required for students transferring from another country)
- Physical examination form completed by a private physician
- Birth Certificate

ACCIDENTS

The School Nurse treats injuries of an accidental nature occurring during school time. Every effort is made to contact parents/guardians immediately; however the priority is to attend to the student.

ILLNESS

The School Nurse cares for students developing an illness or injury in school until arrangements can be made for the parent/guardian, or someone designated by the parent/guardian, to assume the responsibility.

ILLNESS, cont.

During the school year, the Nurse is also responsible for assessing the following:

- Heights and weights of all students for growth and development
- Audio screening of students
- Student vision screening
- Scoliosis screening (with parent's written permission)
- Physical and emotional well being

MEDICAL CONCERNS

Parents/guardians are asked to check with our School Nurse regarding any and all medical concerns that pertain to your child. The School Nurse must be notified of any medical procedures that will take place or have taken place in order to best meet the needs of your child. If there needs to be any restrictions in terms of activities, the School Nurse must be alerted with appropriate information, provided in writing. We also require documentation from a doctor when restrictions are no longer needed.

MEDICAL FORMS

Medical forms can be obtained from the School Nurse at extension 229, or by visiting our website, www.thenewgrange.org, under the "About Newgrange" tab, then click on "For Current Families" tab.

AUTHORIZATION FOR THE ADMINISTRATION OF MEDICATION

Before any medication can be dispensed by the School Nurse, a signed Medication Administration Form must be returned to the school. Please contact the School Nurse at extension 229 to obtain the form or visit our website, www.thenewgrange.org.

FAMILY LIFE EDUCATION OPT OUT

The material that will be covered for students who opt out of family life education will be divided into three units including Health and Wellness, Integrated Skills, and Drugs and Medicines. The content meets the New Jersey Student Learning Standards for the student's grade level. The material will include lessons from our current textbook and supplemental information from current health programs and video clips. The units are intended to be a comprehensive review and reinforcement of concepts learned throughout the school year, but will not be exact duplicates of the lessons previously covered.

HOMework PLAN

Homework is an important part of the learning process here at the Newgrange School. It is given primarily to extend and reinforce classroom learning and to help develop good study habits. The purpose of this homework plan is to serve as a guide for teachers, parents and students to ensure that homework is meaningful and that it supports the learning experiences for all students.

FRAMEWORK FOR HOMEWORK

Homework is any activity or assignment directed by the teacher which is to be performed outside of the classroom and may include reading, studying, completing projects or assignments and in general, practicing those skills which were learned in school.

Homework should:

- consist of assignments that students can complete independently
- be connected to subject matter and IEP goals & objectives
- be engaging, purposeful and relevant
- have primary emphasis on quality not quantity

TEACHER GUIDELINES

1. Explain homework to the students prior to assignment. Write an assignment on the board and make sure that students have correctly recorded it in their planner.
2. Coordinate assignments so that students do not receive an overload of homework.
3. Teach strategies that can help students plan time efficiently, meet deadlines and develop appropriate study skills. Discuss a review and return of homework in a timely fashion.
4. Communicate with parents about homework expectations, policies and procedures. Communicate with parents at the earliest possible opportunity if the student has demonstrated consistent inability to complete homework.

PARENT GUIDELINES

1. Be aware of students' homework assignments. Help establish good study habits, such as a regular time and place to work.
2. Provide a suitable location for the student to work – preferably a place that is quiet, well lighted and free of distraction.
3. Monitor time management and productivity.
4. Be supportive and encouraging of the student to complete the work.
5. Remind students that homework is an important part of their overall learning experience.
6. Communicate with teachers at the earliest possible opportunity to express questions/ concerns about the amount of time your child devotes to homework or if your child expresses frustration with the content of the homework assignments.

STUDENT GUIDELINES

1. Understand that homework is part of the course requirement.
2. Record homework in planner when assigned by the teacher.
3. Seek clarification from the teacher before leaving class if unsure or unclear about homework.
4. Use any class time provided for starting and/or completing assignments.
5. Complete and submit homework assignment by the due date.

SHARING/DISCUSSING CONCERNS

Teachers and parents should make every effort possible to communicate with each other at the earliest opportunity once it has been shown that the student is unable to complete homework assignments. It is important that discussion takes place in order for both the parent and teacher to fully understand the reasons why the child has been unable to complete assigned work. Once it is determined what factors/barriers might be preventing the child from being able to complete and return homework in a timely manner, it is then essential that a plan is constructed to help the student develop more responsible and consistent study habits.

In conclusion, it must be emphasized that homework is a critical element of the educational development of all students, especially those with learning differences. The ultimate purpose of homework is to provide our children with opportunities to practice newly taught skills and to review previously learned concepts. Homework also helps to develop independent study habits and encourages children to foster a sense of responsibility for task completion. Please remember that if you have any concerns or questions about homework issues, do not hesitate to contact your child's teacher.

GENERAL SCHOOL RULES

STUDENTS IN GOOD STANDING

Newgrange School expects all of their students to be in good standing with respect to academic achievement, attendance and behavior. By this we mean that students will strive to do their best every day - completing their work, following directions, participating, asking questions. We also expect students to be in school every day on time and on time for every class. And with school behavior we are expecting students to make good choices and to ask for assistance when the choices may be difficult or conflicting. Newgrange is a school where we support each other as we grow, learn, and heal from past hurts. Hurtful behaviors, in any form, are unacceptable. And above all else, there is no place for bullying at Newgrange.

At the Newgrange School our students and staff focus on Social Thinking. At Newgrange we believe the students should be taught these skills and learn specific strategies that work best for each individual student. This self-advocacy approach allows our students to prepare for life beyond our school and as they move into more complex real-world situations and relationships. Social Thinking at Newgrange incorporates Social Strides, Zones of Regulation and Social Skills groups and includes additional topics including:

- Self-regulation
- Social-emotional learning
- Executive functioning
- Perspective taking
- Social problem solving

STUDENT RECORDS

The Newgrange School shares responsibility for the compilation, maintenance, access to, and security of pupil records (hard copies and computer records). Our copies of the pupil record are available for review to the parent/guardian and pupil (where appropriate). If you would like to review the contents of your child's file, please set up an appointment with a school administrator. A full copy of pupil records (including IEP's, CST reports, transcripts, etc.) are kept on file in your school district. Contact your CST case manager regarding access to your child's records.

DRIVING POLICY

The Newgrange School believes that safety is the paramount concern relative to children coming to or returning home from school. Parents/Guardians should consider their children's age, experience and skills in deciding whether to allow them to drive a car to school. It is assumed that the parent will have made prior arrangements to properly insure the driver. When driving, students must obey all traffic regulations. Students who drive are NOT to transport other students to and from school grounds. Students who drive need to get the appropriate permission slip signed by parents/guardians. Permission slips are available in the main office.

The school assumes no responsibility for cars. The student assumes all responsibility for loss or damage to his/her car, its equipment and its contents. Cars must be locked in the morning and must not be entered or moved during the day without administrator permission. Any student who uses a vehicle to transport another student illegally from school grounds will lose the privilege of driving to school. Students must park in designated parking spots. Student parking is located at the farthest end parking lot away from the school. Violation of these regulations may cause loss of driving privileges and possible disciplinary action.

BUS TRANSPORTATION

Parents/Guardians are requested to review with their child the Transportation regulations detailed below. Each regulation is designed to ensure the safety and welfare of every child who rides the bus. The School Bus Driver will refer children who fail to follow such safety rules to the Administrator. Disregard of such important safety guidelines may result in a suspension of transportation privileges. If such a suspension does occur, parents/guardians will then be responsible for transporting their child to and from school.

1st bus conduct report – parent/guardian notification and warning to student; subsequent conduct reports will result in one the following consequences depending on the severity of the incident:

- Parent/Guardian notification
- In school suspension
- Out of school suspension
- Suspension of transportation services
- Meeting with Newgrange administration, bus company supervisors, parents/guardians and CST case manager

We ask parents/guardians to review the following guidelines to make travel time safe and enjoyable for every child:

- Be ready for the bus 5 minutes prior to the scheduled time. The bus must keep to a schedule to ensure the safety of other students
- Do not stand in the roadway while waiting
- Conduct yourself in a proper manner while waiting
- Do not enter or leave the bus while it is in motion and avoid pushing while riding or getting on and off the bus.

While on the Bus

- Remain in your assigned seat
- Keep all parts of your body inside the bus windows
- Don't throw objects from bus windows
- Do not tamper with any bus equipment
- Remain in your seat during road emergencies until the driver gives instructions
- Leave no personal articles on the bus
- Follow rules specified by the driver.
- Fighting, use of profanity, harassment/bullying of other students, will result in school disciplinary actions.
- Use seat belts as directed by your driver.

SPECIAL NOTICE REGARDING BUSING

PLEASE SEE 'PICKING UP A CHILD' SECTION FOR SPECIFIC PICK-UP INSTRUCTIONS. All students being picked up (not taking the bus home as usual) **MUST** have a note. If a student does not have a note, we will be required to place the student on the bus to ensure that they have transportation home. Please understand that we cannot take the student's word that they are being picked up and, due to time constraints during dismissal, students will not be allowed to call home as that may cause them to miss their bus.

The Newgrange School is not responsible for arranging bus transportation to and from school. Whenever there is a need to alter transportation arrangements or to register a complaint, parents/guardians must contact their child's bus company/district transportation office directly.

Please notify your bus company/district transportation office:

- If child will be absent
- If you brought your child into school, but you need him/her to ride home on the bus
- If you are taking your child home

When in doubt, it's best to call!

STUDENTS ATTENDING NEWGRANGE ON A PART-TIME BASIS

Students who attend Newgrange on a part-time basis are only permitted to be on school grounds during their scheduled class time (i.e. students who attend Newgrange in the morning, may NOT stay for the afternoon, and vice versa). In the event of a field trip or special event, your child will have the option to stay at Newgrange for the full day to participate. It is the responsibility of the parent/guardian to ensure that your bus company/district transportation office is aware of the appropriate time to pick up or drop off your child.

STUDENT SEARCH GUIDELINES

From time to time it may be necessary for Newgrange School administration to conduct a search, either of individual students or larger groups of students. A search will be conducted when there is reasonable suspicion that an offense has been committed or a major school rule has been violated. For example, if a student is reasonably suspected of attempting to steal school property, or if a student is reasonably suspected of being in possession of a prohibited item such as drugs or weapons, or if a student may be in possession of an item related to a case of bullying. Larger group searches may be used as a deterrent to help prevent prohibited items from being brought into or taken from the school. Larger group searches can be conducted with or without prior notification.

A search may include, but is not limited to, the following:

- Having students empty their backpacks, handbags and binders.
- Having students empty their pockets on their pants, shirts, jackets and coats.
- Asking students to remove their shoes and their hats.
- Having students empty their cubbies and desks.

Searches will be conducted by school administration in the presence of a second staff member, and will be conducted when there is reasonable suspicion that an offense has occurred. Strip searches are NOT permitted. If, in the course of a search, a student is found to be in possession of a prohibited item, immediate and appropriate consequences will be applied. Such consequences may include parent notification, confiscation of the prohibited item, notification of local law enforcement, suspension from school, termination of placement, notification of sending school district. The staff and administration of The Newgrange School are committed to providing all students with a safe and orderly learning environment.

CELL PHONE POLICY

The Newgrange Administration recognizes that students have a need for a cell phone. However, students may not use the cell phones on school property or during school hours without administrative permission. During school hours the office phones are available should a student need to call home only on an emergency basis. If a student is found using a cell phone on school property, during school hours, or during any school activity, the phone will be confiscated and handed over to the administrator, who will administer consequences:

- 1st offense:** Warning
- 2nd offense:** Phone call to parent
- 3rd offense:** Phone is confiscated, returned to student at end of day
- 4th offense:** Phone is confiscated. Parent will need to come to school to pick up phone

ELECTRONIC EQUIPMENT POLICY (MUSIC PLAYERS, HANDHELD GAMES, ETC)

Newgrange School recognizes that many of our students may travel great distances on the bus to and from school each day. We also recognize that students may want to use tablets, music players and/or other electronic equipment on their bus ride in order to occupy their time. Students are permitted to use electronic devices on the bus but should adhere to the policies and the rules established by their individual bus company. All electronics must be turned off before a student enters the building and should remain off throughout the day. If a student is found or is reported to be using a personal electronic device in school, the item will be removed and given to the administrator. The administrator will then initiate consequences in the following manner:

- 1st offense:** Warning
- 2nd offense:** Phone call to parent
- 3rd offense:** Phone is confiscated, returned to student at end of day
- 4th offense:** Phone is confiscated. Parent will need to come to school to pick up phone

If the student becomes a repeat offender of the electronic equipment policy, a subsequent meeting will be scheduled with the school, the parent and the student to determine further action.

COMPUTER AND INTERNET ACCEPTABLE USE POLICY AND PROVISIONS

A. Policy and Purpose Statement

The Newgrange School believes that the use of computers and the Internet are, if used appropriately, an integral part of the educational program. Internet access is available to the students only for the express purpose of supporting the educational program. It is being made available to enable students to conduct research and to communicate with others, also in furtherance of educational objectives, which relate to student/staff curriculum.

This policy is intended to comply with the Children's Internet Protection Act/Neighborhood Children's Internet Protection Act. The Technology Coordinator shall be responsible for ensuring that the blocking software is installed and functioning.

Although the Internet offers vast opportunities to access resources, an environment that promotes both responsible and ethical conduct in all student/staff computer activities must be maintained. With access to the Internet also comes the possibility, even with the use of blocking software, that students/staff may access materials that is either of no educational value, or violates applicable State or Federal law. This is so because, with the current state of the technology, it is impossible to control access to all materials that are obscene or profane, or advocate illegal acts, violence or unlawful discrimination.

It is our belief that the educational value of the access to information and the interaction enabled by Internet access far outweighs the disadvantage that users may procure materials that are not consistent with the educational goals. The operation of the computer network relies, in part, on the proper conduct of its student users. Therefore, it is necessary for students/staff to follow the guidelines, which are set forth within this policy. If any user violates this policy, his/her privileges to use school computers may be limited or suspended. In addition, the student/staff may be subject to other applicable disciplinary measures.

B. Terms and Conditions of Use

1. Acceptable Use.

The purpose of providing access to the Internet is expressly to support research and education. It is to provide access to various resources and opportunities for collaborative work. The use of the Internet must be solely to support education and research which furthers the educational objectives and curriculum established by Newgrange. Transmission and accessing of any material in violation of any Federal law (including either the Children's Internet Protection Act or the Neighborhood Children's Internet Protection Act), state law, or regulation/or Board Policy is prohibited. Prohibited activities include, but are not limited to the following:

Inappropriate use may result in the suspension, or partial suspension of those privileges as well as other possible discipline, as outlined in the Student Code of Conduct, which is incorporated by reference herein, and even possible prosecution for illegal activity. Each student, in order to obtain access to the school computer system, will be required to accept and comply with the Newgrange Technology Acceptable Use Agreement. The Technology Coordinator will have the authority to, at least temporarily, suspend use of the system at any time.

C. Miscellaneous

2. Vandalism will result in the automatic suspension of use and will be subject to disciplinary consequences, or possible legal action, which could result in criminal prosecution. Vandalism is defined as any attempt to harm or destroy data, software or hardware, even if belonging to another network. This includes, but is not limited to, the creation of a virus, intentional propagation of a virus, or dissemination of contaminated disks, CD's and the like.

3. The Newgrange School makes no warranties of any kind, whether express or implied, for the service it is providing. The school will not be responsible for any damages users suffer. This includes loss of data, non-deliveries, mis-deliveries, or service interruptions caused by the school's own negligence or the user's errors or omissions. The school cannot accept responsibility for the accuracy or quality of information obtained through its services.

Policy Prohibiting Harassment, Intimidation and Bullying (HIB)

A. Policy Statement

In order to provide our students with a safe, orderly and civil learning environment, The Newgrange School prohibits all acts of harassment, intimidation and bullying conducted by students or staff. These behaviors disrupt students' ability to learn and the school's ability to educate. Treating others with civility and respect, and refusing to tolerate harassment, intimidation or bullying are the behaviors that will be promoted and commended.

B. Definition of Harassment, Intimidation and Bullying

Harassment, Intimidation or Bullying (HIB) means any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated either by an actual or perceived characteristic, such as:

- Race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability or by any other distinguishing characteristic; and that
- Takes place on school property, at any school sponsored function, on a school bus, or
- Off grounds, that substantially disrupts or interferes with the orderly operation of the school or the rights of other students: and that
- A reasonable person should know, under the circumstances, will have the effect of physically or emotionally harming a student or damaging a student's property, or placing a student in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; or
- Has the effect of insulting or demeaning any student or group of students; or
- Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

“Electronic communication” means a communication transmitted by means of an electronic device, including but not limited to: a telephone, cellular phone, computer, tablet or pager.

Bullying may occur in many different forms: verbal, physical, psychological and/or electronic. It can be direct face-to-face incidents, or indirect behind-someone’s-back incidents. It occurs on playgrounds, in the hallways, lunchrooms, rest rooms, lockers, on buses. Cyberbullying involves the use of electronic devices such as cell phones, computers, tablets via social media, emails, texts, chat rooms, etc. Cyberbullying can happen anytime, day or night, and can reach victims when they are alone and most vulnerable.

Bullying and conflicts can look very similar and both may involve name-calling, threats, and other hurtful behaviors. In a conflict everyone is considered to be equally involved. One hallmark of bullying is that there is often an imbalance of power – the bully is or is perceived as having more power than the victim.

C. Pupil Expectations and Core Values

Taking into consideration the developmental level, maturity, capabilities and special needs of our students, The Newgrange School expects students and staff to behave in a manner that shows proper regard for the rights and welfare of others and the educational purpose of all school activities. Standards for behavior have been set with input from staff, administration, parents, students and board members, and evolve along with the changing needs of our student population. One purpose of these standards is to help create a learning environment that supports the development of self-discipline, respect for self and for others.

Newgrange prohibits active or passive support for acts of harassment, intimidation, or bullying. Pupils are encouraged to support other pupils who:

1. Attempt in a positive, nonviolent and nonaggressive manner to stop acts of harassment, intimidation, or bullying;
2. Walk away from acts of harassment, intimidation, or bullying when they see them; rather than participating in or supporting such acts;
3. Provide support to pupils who have been subjected to harassment, intimidation, or bullying; and
4. Report acts of harassment, intimidation, and bullying to the designated school staff member.

D. Consequences and Appropriate Remedial Action

All acts of harassment, intimidation or bullying by students or staff shall result in appropriate remedial actions and/or consequences. The appropriateness of any remedial plan or consequence shall be based on the severity of the offense, the developmental ages of the student offenders, student offender’s behavioral history, the special needs of the students involved and their IEPs. Personal factors (such as might be found in pupil records, CST reports, IEPs) and environmental factors (such as school climate, classroom management considerations, interpersonal relationships and skills, etc) shall be taken into account when developing remedial plans and consequences. The Anti-Bullying Specialist shall consult with sending district case managers when considering consequences and remedial actions.

SCHOOL WEEKLY NEWSLETTER

The Newgrange School Newsletter is our best way to keep parents/guardians up to date regarding school activities. The Newsletter is emailed to parents AND put on our website on Fridays during the regular school year and every other week (also on Fridays) during our summer program. It contains information about classroom activities, special events, fundraisers, field trips, as well as a weekly column from the school principal. If a parent would like to recognize their child in our Newsletter, we have a special **“Shout Out”** section. Please email Ms. Di Lolle by Wednesday of the week you would like the information posted. Good communication between school and home is an essential part of any school community.

PERMISSION SLIPS

Throughout the course of the year, we typically schedule and sponsor a number of field trips for its students. In the past a separate permission slip was sent home for each and every event. Although many of the permission slips were generally signed and returned in a timely fashion, there were oftentimes a considerable amount of children who, for a variety of reasons, did not return consent forms by the due date. As a result, teachers and office staff spent an inordinate amount of time trying to contact parents/guardians to obtain written consent.

We ask that you sign a general permission slip that will apply to all of the sponsored field trips.

We will send notification to you when a trip has been scheduled that will provide you with specific details about the event. Along with notification will be a form for you to return if you

DO NOT wish your child to take part in the trip. If a student does not participate, a suitable educational alternative will be available at the school. If a student elects to stay home, it will be considered an unexcused absence.

SCHOOL VISITORS
